

2018 Art & the Library Exhibition

The Sequatchie County Friends of the Library seeks artists to exhibit their work during the thirteenth annual "Art in the Library" Exhibition. The Exhibition will take place at the Dunlap City Training Center from May 3-May 6, 2018. The last two days, Saturday and Sunday, the exhibition will be part of Valley Fest. Artists who are interested in exhibiting should contact Nina Hunt at 423-315-6467 or email her at n1hunt@aol.com (the "1" is the number one). April 27 2018 is the entry deadline, but we would like to hear from interested artists as soon as possible for planning purposes. Please share this notice with anyone you think may be interested.

The categories are:

Painting: Works created in oils, acrylics, watercolor, etc., original work, not copied work. An example of copied work would be a Bob Ross painting or a class exercise copied from the Internet.

Drawing: Works created using dry media including chalk, charcoal, pastels, pencil, wax crayon, etc. or from the fluid medium of inks and washes applied by pen or brush.

Digital Art: Any original work for which the original image, or the manipulation of other source material, was executed by the artist using a computer.

Mixed Media: Works, both 2 and 3-dimensional, incorporating more than one type of physical material to produce. Includes non-sculptural work as determined by the artist.

Fiber: Work crafted from fibers including weaving, tapestry, art quilting and papermaking. No factory produced wearable items, regardless of additional modification or enhancement by the artist, may be exhibited.

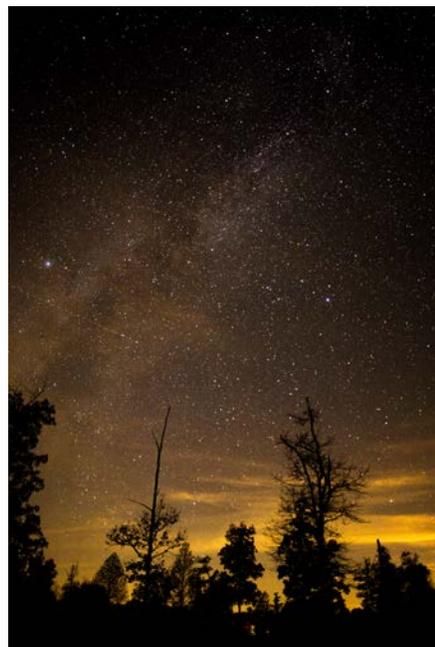

Stained Glass: No forms of mass production are permitted.

Sculpture: Any multi-dimensional work, including woodworking, and pottery.

Photography. Any photographic subject of any kind. The minimum size is 8" by 10." The photograph must be as ready for display as the work in any other category.
